

Dear members and friends-

As you are aware, this is a very important election year in North Plainfield. The Mayor and three Borough Council seats are at stake, and your Democratic leaders hope to continue their work for the town.

The role of the Democratic Club is primarily social, but we do provide support for our local candidates in the form of money and "people power." To that end we have set goals for the Club of expanding and strengthening our base by having more social events and fundraisers. One of the first events this year will be an open club meeting on March 27. We are asking members to invite neighbors to come to the meeting with their questions and concerns about the Borough. This will help determine a platform with issues that come straight from the people.

We are also in the process of planning a Spaghetti Dinner and social events held at local establishments. We hope that you will join us for some of these fun events and show your support for the Club and our local candidates. Please see the important dates on the next page and mark your calendar. Please also take this opportunity to renew your club membership (if you have not already done so) by using the enclosed envelope. Dues are only \$10 per person.

Sincerely,

The Executive Board
