Dear Governor Corzine and Legislators:

I am writing to you because I want you to know that we need to do everything possible to save Muhlenberg Regional Medical Center from closing or downsizing.

Plainfielders and residents from other municipalities such as Dunellen, Piscataway, South Plainfield, North Plainfield, Scotch Plains, Perth Amboy, Fanwood and others utilize the acute care departments of the hospital. We would not receive the immediate emergency care that is needed should the hospital close or be downsized. Just ask yourself, if one of your family members was in dire need of acute care, would you want your loved one to wonder if he or she could make it to another municipality to be treated?

Thank you for your help.

Sincerely,

---
